2. One observation.	No charge (if this is included as part of chargeable mentoring services)
3. Prepare for and attend a one hour meeting with you (online or face to face) to review the output from the initial phone call and help prepare an action plan for you.	£250
4. Ongoing help and advice on implementing the action plan, including: guiding you with setting up and developing your mediation practice, guidance with marketing, networking, webinars, website development (commenting but non-programming advice). LinkedIn and professional requirements. You can achieve as much as you want to.	£150 /hour (budget to be agreed with the action plan)
