

ONE-TO-ONE MEDIATION MENTORING

07776 141 717 www.rogerlevittmediation.co.uk

Are you trying to get your mediation business off the ground? – I can help.

I offer a bespoke one-to-one mediation mentoring service - tailored to your needs. The package includes:

<p>1. Initial 30 mins phone call to assess requirements. If there has already been an observation, which will involve detailed discussions and mentoring advice and/or if there has already been other preliminary discussions / mentoring, then the free initial 30 mins call will not apply</p>	<p>No charge</p>
<p>2. One observation.</p>	<p>No charge (if this is included as part of chargeable mentoring services)</p>
<p>3. Prepare for and attend a one to one and a half hour meeting with you (online or face to face) to review the output from the initial phone call or discussions and help you prepare an action plan.</p>	<p>£250</p>
<p>4. Ongoing help and advice on reviewing and implementing the action plan, including: guiding you with setting up and developing your mediation practice, guidance with marketing, networking, webinars, website development (commenting but non-programming advice). LinkedIn and professional requirements. You can achieve as much as you want to.</p>	<p>£150 /hour (budget to be agreed with the action plan)</p>
<p>5. Preparing for and attending your first (and second if you wish) mediation (as a mentor with permission from all attendees) where you would lead the mediation and I would say nothing in the open and private sessions. I can provide added value with comments in between sessions. Includes meeting before and a debrief afterwards.</p>	<p>We would share the mediation fee (subject to discussion). (min £500 if the fee is less than £1,000)</p>
	<p>All charges are subject to VAT</p>
<p>6. <u>What can you hope to achieve?</u> - by the end of this process you should be fully equipped and confident to continue to develop your own mediation practice and conduct mediations on your own.</p>	
<p>7. I can recommend you to other specialists who can help you, for example web designers, LinkedIn professionals, a speech and presentation coach.</p>
